

SwimDesigns®

Offering a fresh new approach to artistry in a pool or spa. Available pre-filled in white frames with the specific glass bead and plaster colors shown.

They are also available as Fillable Friends which come in two customizable options: solid ABS frames in white or dark gray, or PVC flexible frames in white, that you fill with any colored material you prefer.

All three options are easy and quick to install. Now there is a simple way to add pizzazz to any pool or spa. Take your next pool or spa project from ordinary to extraordinary with SwimDesigns.
