**2014 BULL BARBECUE PRODUCT GUIDE**

**KNOW BULL.**

For most people, tinkering with and testing an open flame grill in your garage is not a good idea. But Mark Nurredine is not most people. And his efforts with a grill in a closed environment were the genesis to a company that would become one of the leading manufacturers of grill islands in the world. Under Nurredine's direction and leadership for the past two decades, Bull Outdoor Products has grown to provide grills, islands and accessories to over 900 dealers and distributors throughout North America, as well as 15 countries. From a garage to countless backyards around the world, Bull Outdoor Products are now the gold standard when it comes to unBulleivable outdoor cooking.

## **KNOW QUALITY**

Bull's award-winning grills are designed, engineered, and master-crafted to meet certifications from CSA and CE, which means anyone with a Bull grill can take comfort in knowing that they're cooking with the highest quality, premium grill on the market.

## **KNOW COMMITMENT**

It's not enough to just say you're committed, Bull backs it up. From the 304-16 gauge stainless steel used on every grill to the Lifetime Warranty\* that covers fire boxes and cooking grates, Bull is committed to going the extra mile to provide you the ultimate outdoor cooking experience.

## **KNOW SERVICE**

With production and service facilities in Rialto, Calif. and Athens, Tenn., Bull provides a premium outdoor cooking experience that is manufactured with the highest quality materials right here in the United States. Bull maintains a complete in-house parts department with knowledgeable specialists available to answer any question imaginable. When you purchase a Bull Outdoor product, not only will you know it is made with expert precision, but you'll have Bull's dependable and responsive service department waiting to assist you.

Fact is, when you purchase a premium Bull grill, you're getting a commitment to the highest-quality product and reliable service in the market. Period. Our grills and components are built to last a lifetime and that's why we guarantee that your Bull grill will be the last one you ever purchase.
