LONG-LASTING PERFORMANCE FOR POOLS OF ALL SIZES.

Hayward® Super Pump® already sets the industry standard for excellence and value, and with the new Super Pump 700, we're adding unparalleled durability to the list. Thanks to a chemical-resistant Viton® seal backed by a 2-year warranty, Super Pump 700 resists corrosion to keep its heavy-duty, high-performance motor in top condition season and after season. Its airflow ventilation provides cooler, more efficient operation, and its exclusive service-ease design offers quick 4-bolt access to all internal components. It's everything you love about Super Pump, now with an added degree of durability.

KEY FEATURES

- » **Chemical-resistant Viton seal** offers powerful corrosion protection
- » **Wing nut drain plug** is easy to open and close for winterizing
- » **Exclusive swing-away hand knobs** make for easy strainer cover removal without tools
- » **See-through strainer cover** lets you see when the basket needs cleaning
- » **Extra-large debris basket** provides added leaf-holding capacity for less frequent maintenance
